Mr. Russel Stanio, Secretary
St. Lucia Association of Georgia
1122 School Side Drive
Lithonia, GA 30058

Dear Mr. Stanio:

It is with pleasure that we welcome your Association to the Union of St. Lucian Overseas Associations (USLOA).

We are very excited that St. Lucians in Georgia have joined together to further the mission of the people of the St. Lucian Diaspora. Your Association will certainly help to maintain our cultural identity, and promote social and economic well-being for all St. Lucians.

Your payment of \$60 has been applied to your membership for the year July 2008 to July 2009. I have enclosed a History of the USLOA for your perusal. I shall place your Association on the email/mailling list so that you can be kept abreast of developments within the Union.

Again, on behalf of the members of the USLOA, I embrace you as a new member, and wish you success in your challenges as you grow your organization from infancy to maturity.

Sincerely,

Gisel Regis
Asst. Secretary, USLOA
